

Information

for people living with and affected by MND,
or Kennedy's disease

All our information is evidence based, user tested and reviewed by experts. Download resources at:

www.mndassociation.org/careinfo

We provide...

- guides on many aspects of MND and Kennedy's disease
- information sheets focusing on specific symptoms or subjects
- resources to record and communicate your needs
- information in other languages
- online resources such as audio, animations and web apps
- information for carers
- resources for children and young people close to someone with the disease.
